EZ-Dry Basic's New Versatile Sealer

Basic, Toledo, OH – EZ-Dry Polyurethane Sealer is easy to use and can be applied under both water and oil based finishes. This quick drying oil sealer is truly revolutionizing the finishing process.

- Dry times average **three to four** hours
- Eliminates grain raise allowing you to achieve smoother end-results
- The versatility to be used under water or oil makes it a great choice every time
- Sands easily, flows well, and is self leveling

Basic is a leading manufacturer of proven high-quality wood floor coatings, maintenance products, and floor care equipment for commercial and residential use.
