COATINGS®

Where Great Finishes Start

Sand Dragon™

Basic Coatings orbital sanding machines provide the greatest head pressure to deliver fast results. The high speed 3,400 RPM orbital motion quickly sands, abrades, and levels wood floors or gymnasiums without leaving unsightly swirl marks. All models are available with an optional dust containment system to help keep your work area clean.

Sand Dragon™

ORBITAL 20" & 28" SANDING MACHINES

Sand Dragon™

Durable cast iron base and weights provide maximum head pressure

Optional dust containment kit available for all models.
